Message from the Executive Director

*Jim Steep
Executive Director*

Thank you everyone for your support of Agape Table! It was another very busy year for staff and volunteers in 2023 as we served over 140,000 meals and provided over 15,000 food hampers to those in need. We were also busy filling thousands of requests for clothing, hygiene products, diapers and other necessities and were able to assist many other non-profits that needed our help. None of this would be possible without you, our loyal donors!

I'd also like to thank our amazing staff whose commitment to our cause of nourishing the community is unwavering. Most of our staff members were previously volunteers and/or guests of Agape Table prior to joining our team. It has

been incredible to hear them talk about their life transformations that have occurred since they first came to Agape Table. Thanks to our dedicated volunteers and the generosity and kindness of you, our donors, we continue to witness these miracles.

Our current goal is expanding our services to those in need through our mission of securing "A New Home for Agape Table".

**On behalf of Agape Table, we
wish you all good health as we
enjoy the coming of spring!**

Sincerely,

Jim Steep

Volunteer Spotlight

What can I say about Agape Table? I don't know where I would be without it. Agape has amazing caring people working there that would go out of their way to help someone in need.

I started volunteering at Agape 2 times a week then it switched to everyday doing more and more things. My mental health was so bad when I first started, but just being in a place like Agape around the staff and volunteers really helped me. I knew I was helping and making a difference in people's lives.

I knew from volunteering at Agape for over a year, that helping people was what I was meant to do. The way everyone is treated like family is amazing. After a while I started helping with the food bank, handing out hampers Tuesday and Thursday to those in need.

Because of Agape Table I was able to move forward with my life knowing I have that support whenever I need it. With my newfound confidence, and Dave's help with different paperwork, I was able to enroll in Opportunities for Employment to upgrade my schooling. With the help of Agape Table and the training I received from OFE, I now have not 1 but 2 jobs and my self-confidence back.

I am now off of social assistance, and honestly, I don't think I would have been able to move forward like this without my newfound family at Agape Table.

Thank you for everything you do, and all the people you help!

Message from the Board of Directors

Happy spring to all our friends of Agape Table, from the Board of Directors.

Spring is a time of renewal, new

growth, and hope for the future. We wish that for all of you.

Agape Table continues to work hard and support the community, in particular the guests who rely on us for food security. Rising food prices as well as other factors have led to an increased demand for our services.

We are excited about the future of Agape Table. The people of Winnipeg and Manitoba continue to support us in so many ways, by donating food, money, and time to ensure that meals are available to those in need. We truly appreciate all our donors.

Message from the General Manager

The magic that happens at Agape Table never ceases to amaze me.

On any given day when you look on our floor we have Ukrainian refugees, newcomers, practicum students, work teams, retirees, people working

off fines, and some people that might be considered guests.

Magically these people come together for a common goal, to give of themselves to help out the marginalized community of Winnipeg. It is truly a site to behold.

In 2023 Agape Table served just shy of 147,000 meals and handed out over 15,000 food hampers to those in need.

We couldn't do it without the volunteers on our floor and donors like you that assist us each and every day to help the marginalized community of Winnipeg.

Whether you are a group looking for a team building exercise, a sports team, a family, or an individual and wanting to give back to our community, come down and be part of the magic that we see every day.
